

Welcome to First A.M.E. Church Summer Youth Enrichment Program!!!

Calling all children ages 6-12! First African Methodist Episcopal Church (FAME) of Los Angeles is pleased to offer an all-inclusive 6-week summer educational program for the children of our community.

Each day, children will be exposed to a full range of activities including reading/writing/math skills, sports, games, arts & crafts, performing arts, gardening, cooking and countless other exciting and enriching experiences. Our focus is on hands-on learning that is always FUN!

In addition, we will be taking our children on a weekly field-trip to explore the rich diversity of greater Los Angeles. And, children will be fed breakfast, lunch and two snacks each day.

The program is being designed and led by experts – credentialed teachers, school administrators, certified nurses, physical education instructors and business professionals. We will keep our staff numbers high to allow for small group activities for children, and one-on-one attention for skills development and character education.

*And all thy children shall
be taught of the LORD;
and great shall be the
peace of thy children.
Isaiah 54:13*
